## 114 apartments for West Seattle

By [JOURNAL STAFF](#)

Avalon Way Apartments in West Seattle received preliminary design approval from the city of Seattle. The \$14 million project is being developed by CD Heritage at 3261 S.W. Avalon Way.

It will have 114 apartments on six floors and 109 parking stalls at and below grade. NK Architects is the architect and Chinn Construction is the general contractor.

The goal is to have the building completed by June of 2013. It will be nearly 124,000 square feet.

The team is targeting Built Green 4-star certification.
